About the Master Class

Open to advanced dancers, ages 13 and up

Jenn is a New York based teacher, choreographer and dancer who is nationally recognized for her unique style. Her inspired work has supported projects for Florence and the Machine, Madonna, The X-Factor, Target, The Brit Awards, Cirque du Soleil, The Martha Graham Dance Company, LA Ballet, SYTYCD and Encores! at New York City Center.

This inspiring and challenging class begins with a thoughtfully structured warm up that focuses on release, momentum, conditioning and connection. Following the warm up, dancers will have the chance to investigate some of the intricate phrase work from her piece *When*, which will be performed in this year's Choreography Festival.

Space is limited. Reservations are needed. Offered at no cost thanks to support from our generous Festival sponsors.

For Festival tickets starting at \$14
