THE CAPITOL STEPS
McCALLUM THEATRE
Sunday – January 14 – 3:00pm

Palm Desert, CA – Through the generosity of Frank and Mary Ann Xavier, the McCallum Theatre presents *The Capitol Steps* on Sunday, January 14, at 3:00pm.

The Capitol Steps, a Washington DC-based comedy troupe that began as a group of Senate Staffers will present a show based on songs from their current album *What to Expect When You're Electing*.

The Capitol Steps have been a Washington, DC institution for over thirty years, providing a unique blend of musical and political comedy to our nation's Capitol and more. Each show consists of tasteful lampooning guaranteed to leave both sides of the political spectrum laughing. The troupe started in 1981, when John McCain was only 63 years old! Since then, they have appeared on "The Today Show," "Nightline," "CBS Evening News," and, for many years, in specials for National Public Radio.

Their show is constantly changing, strenuously bi-partisan, and includes songs about the election madness, as well as other things in the news, such as "How Do You Solve a Problem Like Crimea," "Ain't No Pipeline, Now It's Gone," and "The iMpossible iWatch."

If you've ever wanted to see Hillary Clinton sing a show tune, Donald Trump sing a rock song, and New Jersey Governor Chris Christie do a classical ballet, this might just be the show for you!

Tickets for this performance are priced at \$67, \$47, \$37 and \$27. Tickets are available at the Theatre's website at www.mccallumtheatre.com or by calling the McCallum Theatre Box Office at (760) 340-ARTS. The McCallum Theatre, located at 73000 Fred Waring Drive, Palm Desert CA 92260, accepts payment by cash, personal check, VISA, MasterCard, Discover and American Express.

*The McCallum Theatre Box Office, its phone center and website, are the **only** authorized outlets for tickets to performances presented at the Theatre. Tickets purchased from any other sources, such as brokers or secondary market websites, are purchased at consumer's own risk and cannot be guaranteed as valid.*
