

McCallum Theatre

CONNECTING COMMUNITY THROUGH...

- Awe-inspiring, professional performances
- Life-changing arts education programs
- Your ongoing generosity

MNOZIL BRASS

Through the performing arts, the McCallum Theatre creates community. Whether it is in the theatre with other audience members, at behind-the-scenes donor events or in any one of the over 200 classrooms we serve every year. Unforgettable memories and life-long friendships are made through the McCallum. And your generosity makes this all possible.

Ticket sales generate only 60% of the financial resources needed to operate the McCallum Theatre. Your annual donation is an investment in the performing arts and the Coachella Valley. You help ensure that the McCallum brings world-class artistry to our stage, remains a premier theatre with state-of-the-art equipment and serves over 40,000 children and teachers every year.

In appreciation, you receive special privileges complementing your theatre-going experience, such as the opportunity to buy tickets before the general public, invitations to special donor events and donor recognition.
