

ALL PERFORMANCES CANCELLED NOW THROUGH APRIL 30

McCallum Theatre is concerned about the health and safety of our patrons, ticket buyers, volunteers and staff. In response to the evolving Coronavirus (COVID-19) situation and by order of Cameron Kaiser, M.D., Riverside County Health Officer, Department of Health, McCallum Theatre is suspending all performances scheduled through the end of April.

refunds

If you have tickets for any performances scheduled for dates between now and April 30, you may request a refund or credit on your account toward tickets for next season.

To do so:

- Send an e-mail to information@mccallum-theatre.org
- Provide your name, address, phone and e-mail address, along with the performance(s) for which you have tickets.
- Indicate if you would prefer a refund or credit

ticket donations

As an alternative, please **consider donating your tickets back to the theatre** as a **tax-deductible contribution**.

As with any non-profit, this disruption of business can have significant consequences on the McCallum Theatre, and your generous participation through the donation of tickets can be tremendously helpful. Your ticket donation will be recognized as a contribution to the theatre, and you will receive a letter acknowledging the value of your tickets for tax-deduction purposes.

If you choose to donate your tickets, follow the procedure outlined above and indicate that you are donating your tickets back to the Theatre.

The cancelation of more than a month of performances will take time for our Box Office staff to process, and we appreciate your patience.

box office hours

You're also welcome to come in person to the Box Office during regular business hours, **Monday–Friday** from **9 a.m.** to **5 p.m.**

Please note, if you purchased your tickets through a broker or third-party ticket agent, you will need to contact the broker or agent to obtain a refund. The McCallum Theatre will only process requests for tickets purchased directly through our Box Office or web site.
